

Parking Map

Dublin Historical Society Museum 35 S. High Street

There are nine private parking spaces immediately west of the museum on the north side of Springhill Lane. These spaces are available to museum patrons and also our neighbors at 31, 33 & 39 S. High Street. Please respect our fellow downtown Dublin businesses and do not park in private tenant lots, such as the lot on the south side of Springhill Lane. Instead, please use the public on-street parking along S. High Street or use any of the nearby signed public lots as shown on the adjacent parking map.
